Summary

Software Developer with hands-on experience building full-stack applications using Java, Spring Boot, React.js, and MySQL. Skilled in developing REST APIs, implementing CRUD operations, and designing responsive user interfaces. Passionate about building scalable applications and eager to contribute to real-world software development projects.

Skills

Programming Languages: Java, JavaScript, HTML, CSS

Frameworks & Libraries: Spring Boot, React.js, REST APIs

Database: MySQL, SQL

Tools & Platforms: Git, GitHub, IntelliJ IDEA, VS Code

Concepts: OOP, MVC Architecture, CRUD Operations, REST APIs, Data Structures & Algorithms

Soft Skills: Problem Solving, Team Collaboration, Quick Learner, Attention to Detail

Projects

To-Do List Application | *React.js, Spring Boot, MySQL*

Jan 2025 – Feb 2025

- Developed a **full-stack task management application** with a dynamic and responsive UI using React.js and REST APIs built with Spring Boot.
- Implemented full **CRUD operations** (Create, Read, Update, Delete) with MySQL database for persistent task storage.
- Designed and integrated **5 RESTful API endpoints** enabling seamless frontend-backend communication.
- Applied **React Hooks** (useState, useEffect) for state management and real-time UI updates without page reload.

Student Management System | *React.js, Spring Boot, MySQL*

March 2025 – April 2025

- Built a **full-stack student management system** enabling users to add, edit, delete, and view student records through a clean UI.
- Developed **RESTful APIs** using Spring Boot following MVC architecture for structured and maintainable backend logic.
- Integrated **MySQL database** with Spring Data JPA for efficient data persistence and retrieval of student records.
- Implemented **form validation** on the React frontend to ensure data integrity before submission to the backend.

Awards & Certifications

- **Gen AI Academy – Google Cloud x Hack2skill (2025):** Completed a hands-on Generative AI program focused on Google Cloud tools including Vertex AI, Gemini APIs, Imagen, Streamlit, and Multimodal RAG. Recognized as **Top Learner** by Google Cloud and received a Google Cloud branded kit as appreciation.
- **Web Development Certificate – Internshala (2024):** Completed 8-week online training covering HTML, CSS, JavaScript, React, DBMS, and AI in Web Development.

Relevant Coursework

Data Structures & Algorithms, Object Oriented Programming, Database Management Systems, Operating Systems, Computer Networks

Education

B.Tech – Computer Science Engineering

Expected: 2027

Institute of Technology and Management, Gorakhpur, Uttar Pradesh

Senior Secondary (Class XII)

2023

Little Star Academy, Gorakhpur, Uttar Pradesh
